

PLACEMENT REPORT - 2012

DoMS, IIT Madras

Department of Management Studies IIT Madras

Placement at DoMS

Placement process at DoMS, IIT Madras, is conducted by the students of DoMS under the supervision of faculty advisors and guidance of the Central Placement Office of the institute. The Placement Team looks after the management and organisation of two key activities-

- 1. Summer Internships
- 2. Final Placements

Summer internships: Companies looking for summer interns start visiting the campus from October onwards. Selection process continues on a rolling basis till all the students are selected. Students are expected to take up internships for a period of 8-10 weeks, during the months of May, June and July.

Final placements: Work for final placements starts in the month of August when Placement team members meet HR representatives of companies that express interest in DoMS. Preplacement talks begin by late September, and continue through October and November. Placement Week is organized in the first week of December, wherein companies conduct group discussions and/or interviews to find the best candidates for their organization.

A unique '**Spot-Offer'** option can be availed by companies for recruiting 'ideal candidates' for their requirements. 'Spot-Offer' can be made to a candidate by the recruiters at the end of the interview. The candidate by accepting the offer forgoes the right to participate in other processes.

Placements 2012

Much to the delight of everyone **100% placement** was achieved at DoMS with students being offered multiple roles spread across various sectors.

PPO/PPI: 6 students received PPO/PPI offers from companies where they did their summer internships.

Placement Week: Nearly 75% of the batch was placed by the end of Day 1, while more than 90% of the students had job offers by the end of the 4th day of the Placement Week.

Spot Offers: 40% of the batch (27) received spot offers.
