INFRASTRUCTURE

- Spread across a sprawling 411 acres in the North West of Pune.
- 46 departments catering to a wide array of academic interests.
- Five star rating by the NAAC.
- Houses institutions of national importance like IUCAA (Inter University Centre for Astronomy and Astrophysics),
- C-DAC (houses one of India's supercomputer, "PARAM") and NCRA (National Centre for Radio Astronomy).
- The University campus has one of the Asia's largest center for knowledge, the "Jaykar Library".

The University of Pune has been shaping successful professionals and responsible citizens for decades. Established on the 10th day of February 1949, this grand Academia has been providing a stage for millions of aspiring students to realize their potential and excel in all walks of life. The placid environs and state-of-the-art facilities provide its numerous students with an atmosphere conducive to the pursuit of research in various areas of Science, Arts, Commerce and languages. It is this dedication and commitment which stands testimony to the fact that the University of Pune is beyond doubt the "Oxford of the East".

INFRASTRUCTURE

PUMBA

Founded in the year 1971, PUMBA has been a centre of learning and development. It has been constantly metamorphosing itself to be at the forefront of the evolutionary academic entity on one side and a skilled human resource provider to the corporate world on the other. Some of the infrastructural details and various facilities are as follows:

- 45000 sq. ft. Campus plush with the latest technologies and amenities.
- Six classrooms to accommodate 100 students each, with overhead projectors, LCD projectors and public announcement systems.
- Fully air conditioned auditorium with 180 seating capacity soon to be enabled with video conferencing facility.
- Twelve syndicate rooms utilized for modular learning and conducting various training sessions and meetings.
- Air-conditioned, two-floored, in-house library, which can be accessed 24 hours and contains over a thousand reference books and periodicals on diverse subjects.
- Wi-Fi enabled campus with 11.2 Mbps connectivity.
- High-tech computer lab with 120 P-IV computers having dedicated lease line.

CELL INFORMATION

Alumni Cell

Alumni Cell is the chord that binds every alumnus to their Alma mater. We aim to foster the pride and passion of being a PUMBAite. We nurture the feeling, 'PUMBAite for life' by being in constant contact with the alumni. With a large database of alumni, we shoulder the responsibility to embark and sustain the legacy that has been in existence since 1971.

Cultural Cell

Cultural Cell is the place where every PUMBAite rejuvenates after the (++) hardwork of MBA curriculum and it offers countless opportunities to prove your Extra Curricular Talent.

Entrepreneurship Development Cell

'Entrepreneurship Development Cell' is the latest initiative by the students of PUMBA to develop a sustained platform that supports students of PUMBA in starting up, showcasing their skills and structuring their thoughts in the less explored field of entrepreneurship & thereby realizing their ideas and converting them to reality.

CELL INFORMATION

Media Cell

Media Cell has been formed keeping in mind the needs of any B-school to interact with the world. Media cell aims to manage the brand - PUMBA, and enhance its image in the eyes of various stakeholders, i.e. prospective students, alumni, industry, faculty & present students. We ensure that PUMBA is seen and heard at the right places and at the right time.

Placement Cell

PUMBA has an independent Placement and Corporate Relations Cell devoted to cater to the needs of organizations in conducting campus interviews for placements. The Cell is assisted by Student Placement Coordinators who lead a team of placement representatives from various specializations of study. Placement Cell is a crucial interface between the stages of completion of academic program of the students and their entry into the suitable employment. It is effectively engaged in developing the students in all the needed skills by recognizing the core competencies of students and placing them in top companies.

Seminar Cell

We as a part of PUMBA, supplement PUMBA's efforts to create an interface between the students and the corporates by a wide array of activities and events conducted in and out of PUMBA. These events not only give students a platform to exhibit their talents but also an opportunity to comprehend what drives success.

System Cell

We are the 'Solution Provider' for the institute. Our key objective is to implement various types of systems in tune with the institutional needs at the optimum cost and energy; be it setting up an intra-departmental communication network or designing an interface for the external communication with the world. We have in house solutions developed for the institute.

About Queen Mary Technical Institute (QMTI)

Founded in 1917, by Lady Marie Willingdon, wife of the then Governor, Bombay Province, QMTI is a charitable Educational Trust.

QMTI has a status of an Industrial Training Institute (ITI) and is the only institute in India today which is wholly dedicated to the training of the disabled servicemen and ex-servicemen. It conducts Computer courses, BPO, English speaking courses and ITI courses.

For its exceptional contribution in the field of training and placement of the handicapped, QMTI was bestowed with the prestigious FICCI award and National Award for the welfare of the people with disabilities.

The University of Pune in collaboration with Queen Mary's Technical Institute (QMTI) offers a one year long diploma course in management, "Diploma in Industrial Administration and Service Management" for disabled soldiers, ex-servicemen Personnel Below Office Rank (PBOR) and their dependents.

The Raison d'être behind this course is the employability of disabled soldiers, ex-servicemen and their dependents in the current market environment will increase manifold. This course will help to change the mindsets of the military men to civil working life. This course shall ensure them suitable jobs in many sectors e.g. Security, management, retail management, banking and insurance services.

The first course is being conducted by Department of Management Sciences (PUMBA) from 1st August 2008. PUMBA faculties and students impart this training as a part of their Social Responsibility Initiative i.e. without charging any remuneration.

Course Structure

- 13 subjects covering the basic concepts in management.
- Area of Functional Specialisation – Finance and Marketing
- Area of Sectoral Specialisation :
 1. Security and Office Administration,
 2. Retail Management
 3. Banking and Insurance
 4. Information Technology
 5. Travel and Tourism
- Workshops to ensure overall personality development and improved communication skills
- Industry Contact Programme for 2 months to get acclimatized to the industrial and corporate environment.

ACTIVITIES @ PUMBA

Achievers

'A Salute to the torch-bearers'

The stalwarts today,
'reached up there burning midnight oil,
The rich and famous
have a history of sweat and toil!'
PUMBA in its special way felicitates these winners.
An event to celebrate success, Seminar Cell's
Achievers!

Adios Amigos

'Farewell to Seniors'

A tearful adieu to our seniors, a remembrance of the time spent with them and the final event of the year, it's where the seniors and juniors come together for one final time to celebrate the spirit of P.U.M.B.A. PUMBA.

Chapter Meet '07

'Your presence is our pride'

A formal interactive event held in five cities across India: -Bangalore, Delhi, Hyderabad, Mumbai and Pune. The meet enables a professional interaction between the alumni and students and a discussion regarding the betterment of PUMBA.

DHRUV

'The Cultural Festival'

The biggest college Fest of Pune and mother of all entertainment events on the MBA Circuit, Dhruv, the Star shines in the month of January, and enlightens all the B-schools. They all land up on the PUMBA premises to get the most coveted trophies of the year. Competitions include fine arts, management games, sports etc. We also organize DHRUV for PUMBA students.

HR - Rendezvous

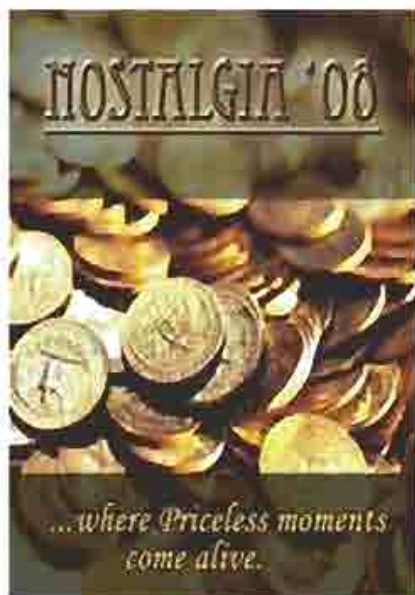

'Seeking Solutions'

It's not always that students get a chance to act,
A corporate scenario, a reality, a fact!
A solution to the problems that prevail,
Is then given by an HR, who brings the ship back to sail!

Induction

'A warm welcome'

Welcoming the juniors to a new beginning,
Two years of joy, fun and learning!

National seminar

'An Educative Forum'

Corporate woes and corporate views,
Talks about the future and discussions on news!
An event of this magnitude,
Stands for PUMBA's scaling altitude!

Nostalgia '08

'Where priceless moments come alive'

An informal and fun-filled event when the alumni come back to the campus and take a walk down memory lane. The event is filled with fun, frolic and laughter and is aimed at catching the alumni in a lighter mood!

ACTIVITIES @ PUMBA

Pumbalymphics

'Internal Sports'

A selection process and another opportunity to strengthen the PUMBA fellowship in the year, this event includes sports like chess, carom, Table Tennis, Cricket, Badminton, Tug of War. Winners in the respective events go on to represent PUMBA in the various college fest sports in and around Pune.

Reminiscence '88

'An ode to the days that were'

Organised for the first time this year, the event symbolized the 20 year reunion of the batch of 1988. The event was a day long programme filled with fun, games and many formal and informal interactions between the students and the alumni of the 1988 batch of PUMBA.

Shramdaan

'Giving something back was never this fun'

The event was started with the novel idea of bringing the first year students together in a unique manner, where they toil and enjoy while they clean the college. The students enthusiastically participate and enjoy social responsibility with fun.

Summers

'Where the grass is always green'

Summers is a mega event. MBA students from across the country, land in Pune to showcase their hard work in their Summer internship, in a competition that is the crowning glory of any second year MBA student. The judging panel is a who's who of corporate world. Competition is spread over all the six specializations.

PUMBA : ONE MORE STEP CLOSER TO PERFECTION

PUMBA, one of India's premier B-schools over the years has achieved excellence in management education. Adding one more feather to its cap, the institute proved that management schools equally owe to the society, as a part of the Corporate Social Responsibility, a social project has been undertaken by PUMBA students' i.e. the Mula-Mutha River Transport Project which is approved by Pune Municipal Corporation (PMC) and is eager to start working on this Rs. 550 crore venture. The project provides a revolutionary solution to problems like traffic congestion, accidents and man-hour loss. With this endeavor it is going to be a different ball game as Pune's infrastructure is considered as one of its kind in the nation.

YOUTH FESTIVAL

The Department of Management Sciences (PUMBA), University of Pune, in association with Wake Up Pune organized an event to spread awareness about HIV and AIDS among the educated.

HIV and AIDS - dreaded words that we come across everyday and we pass over them dispassionately, without sparing even a moment to understand what they stand for. Do these sinister words penetrate our consciousness? Words, that's what HIV and AIDS remain..... just words.

HIV does not discriminate. We do. Let's put an end to this vicious cycle. Come join the fight.

The event was a huge success and PUMBA has become the first institute to Wake Up to this clarion call.

MBA++ program addresses the need for creating industry-ready global contributors.

A program that offers a management education experience founded on strong core values, to foster academic excellence and professional skill development through learning and knowledge.

MBA++ is a leap forward by PUMBA by adding a sector specialization to its existing curriculum of functional specializations. The program now offers a functional specialization with a sectoral in depth knowledge. Functional domain includes Marketing, Finance, Human Resource, Operations, Systems and International Business. The sectors cater to the emerging domains contributing to the fast pace of our country's economic growth: Retail, Banking & Insurance, Engineering, IT & ITeS and Healthcare.

The objective of the pedagogy adopted for MBA++ is to ensure that students internalize the traits of honesty and integrity, diligence, punctuality and sanctity of deadlines, developing logic and fostering out of the box thinking, discipline, a good awareness of the environment around them, social awareness and confidence to back them.

The program equips the budding professionals to tackle challenges posed by cultural diversity. It aims to develop an accelerated learning curve and train managers to take their stand on the global stage from the day they land in the marketplace/corporate.

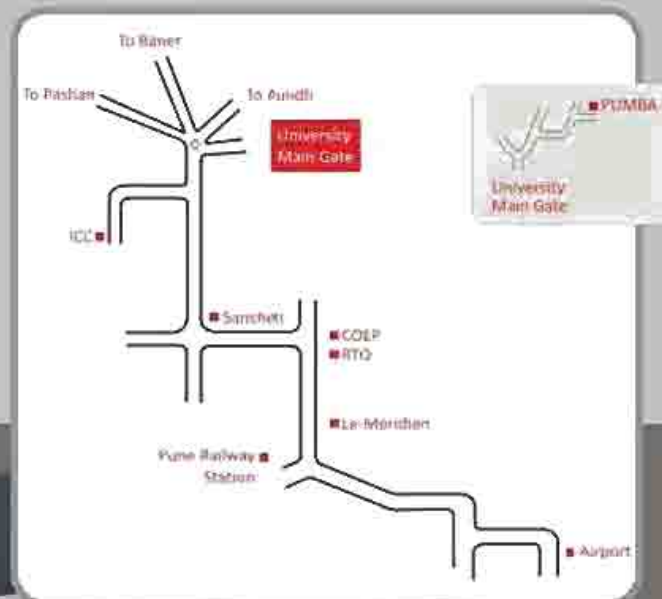

CRP GUIDELINES

Guidelines for the recruitment procedure on PUMBA Campus

- The student(s) already selected by some company is permitted to appear for the selection procedure of another company to upgrade the category. However, parallel transit of the student(s), to the same grade company or transit to a lower grade company is not allowed.
- Confirmation of the offer by the company to the student(s) is subject to the receipt of an offer letter from the company or a formal communication by the company to the respective student coordinator.
- The Companies will be graded or categorized by the PUMBA Placement Cell depending on the criterion of company's goodwill as perceived by the students and pay package offered. In absence of declaration of pay package, the company may be treated as of the lowermost category. Once the company indicates their desire to appear on campus, they will be informed immediately by the student coordinator about their category.
- In case the company for any reason keeps the student(s) on hold, such student(s) will be eligible to sit for the selection procedure of other companies i.e. will be eligible for the remainder of the Campus Recruitment Programme, till the receipt of communication as mentioned in Point-2. This will also apply to the short listed student(s) pending for final interview. Thus companies are requested to declare the final results as soon as possible.
- Withdrawal of offer once made by the company to student(s) is not expected. This will lead the company losing its privilege.
- PUMBA allows the company to conduct the Pre-Placement talk immediately followed by the selection procedure as premeditated by the company.
- Company is expected to invigilate and evaluate the selection procedure (written tests, group discussion, personal interview, etc.) by their own staff; however, all necessary facilities will be provided by PUMBA.
- Companies may kindly understand that the time schedule given for Campus Recruitment Programme will be at the discretion of Placement Cell.
- PUMBA expects the company to inform the placement cell of their Recruitment Programme itinerary well in advance to avoid any inconveniences as adjustments to the Campus Recruitment Schedule may not always be possible.
- Selected student(s) will be allowed to join the company only from 1st March, 2009 or there after irrespective of date of campus selection. However the company is expected to grant special leave to such student(s) to appear for the final examination. Companies are expected not to make any appeals in this regard to PUMBA.
