RESIDENT STATUS FOR TUITION PURPOSES

If you are not currently a California resident, you may apply to establish residence if: 1) you are a U.S. citizen; 2) you are a permanent resident or other immigrant; or 3) you are a nonimmigrant who is not precluded from establishing a domicile in the U.S. To establish residence you must be physically present in California for more than one year and must have come here with the intent to make California your home and not solely to attend school.
