

Summer Internships at IIT Gandhinagar

Indian Institute of Technology Gandhinagar (IITGN) is excited to announce the sixth edition of the summer internship research program for 2017. The program is aimed at building strong ties with other institutions through research at IITGN.

The program strives to bring together students and faculty from prominent institutions across the country right here on our campus. It will allow visitors to participate in on-going research projects, undergo mentorship by IITGN faculty and develop close partnerships and collaborations between respective institutions.

Stay tuned to this website for more information about SRIP 2017.
