

Pandit Deendayal Petroleum University

NAAC accreditation with 'A' grade

Ph.D. Admission June 2017 session: **Revised Policy & Procedure

1. Eligibility

A student seeking an admission to Ph.D. Programme of the University is required to have minimum educational qualification as mentioned hereunder. Each of the Master Degrees referred therein is to be on the basis of minimum two year programme.

For research in an area of Engg./Technology

M. Tech. /M. E. or its equivalent as recognized by UGC /AICTE in appropriate area.

For research in an interdisciplinary areas like Petroleum Engg., Solar Engg., Nuclear Engg., and Environmental study

M. Tech./M.E./M.Sc./M.Sc.(Tech.) or its equivalent as recognized by UGC/AICTE in appropriate area.

For research in an area of Sciences

M. Sc. degree or its equivalent as recognized by UGC in appropriate area.

For research in an area of Management

M.B.A./M. Tech./M.E./A.C.A./A.I.C.W.A./A.C.S. level or its equivalent as recognized by UGC/AICTE in appropriate area.

For research in an area related to Liberal Studies

Master's degree or its equivalent as recognized by UGC in appropriate area.

Master's or a professional degree equivalent to it by the corresponding statutory regulatory body with 55% marks in aggregate or its equivalent grade 'B' in UGC 7 point scale, (or an equivalent grade in a different point scale) or an equivalent degree from a foreign educational institution accredited by an approved Assessment & Accreditation Agency. Relaxation of 5% of marks, from 55% to 50%, or an equivalent relaxation of grade, may be allowed for those belonging to SC/ST/OBC(non-creamy layer)/differently-abled candidates & other categories of candidates as per the decisions of the commission from time to time

2. Research Areas

School of Technology:

Solar Energy: Compound semiconductor thin films materials and silicon for high-efficiency homo and heterojunction Photovoltaic Solar Cell. High Energy density Li ion battery and Super capacitors, DSSC, Solid state DSSC based on perovskite, Organic Solar Cells, Fuel Cell and efficient water splitting for hydrogen generation using solar radiation. Computational material science for solar cell including optimization of optical and electrical properties, Industrial waste water purification using a novel organic molecule under

concentrated sunlight, PV plant performance, Energy policy and regulation and Data validation of megawatt scale Solar PV power plant.

Mechanical Engineering

Thermal Engineering

Renewable Energy: Biodiesel, Wind energy, Solar hybrid technology, Solar thermal applications, marine renewable energy.

Thermal and Fluid Engineering:

Water desalinization, refrigeration system, waste heat recovery, Thermal comfort, sustainable manufacturing, Advance refrigeration system, tri-generation. Thermal system design-optimization, CFD applications to IC engines and alternative fuels.

Design Engineering

Finite Element Analysis, Additive Manufacturing/Rapid Prototyping, Bio printing, Drug manufacturing using Rapid Prototyping, Innovative and creative materials for rapid prototyping processes, Composite materials, computational mechanics of materials: stress analysis and optimization; Fault diagnosis and condition monitoring

Manufacturing and Industrial Engineering

Friction Stir welding of similar and dissimilar metals, Friction stir processing, super plasticity, wear behaviour of surface composites, friction surfacing, hybrid welding, Metal cored and flux cored arc welding, A-TIG welding, Laser welding & ultrasonic welding ; EDM wire cut, EDM; surfacing and electrochemical machining; Surface Metrology & Digital Image Processing, Texture analysis; Tool condition monitoring; Artificial Intelligence in manufacturing; Numerical modelling of manufacturing processes; Formability of tailor welded blanks; Material processing, Machining of hard materials .

Project management: Theory & Practice; Modelling & Analysis of Industrial Engg. Systems

Entrepreneurship : Micro Small & Medium Enterprise; Entrepreneurship ; Innovation

****Elect. Engg.:** Power System Protection; Power electronics, Electrical machines, Electrical Power Systems, High Voltage Engineering, Power Quality, Control Systems.

Civil Engg.: Geotechnical Engg, Earthquake Engineering, Soil-Structure interaction, Reinforced Earth, Environmental Geotechnics, Cost Effective Green Technology in construction, Project Management, Advanced Construction Technology, Hydraulics and Environmental Engineering and Waste treatment and utilization for construction, Computational Solid Mechanics, Project Risk Management.

****Chemical Engineering:** Clean Energy and Environment:- Carbon Capture and Sequestration; advanced waste water treatment; Ionic liquids for clean fuels; Modelling & simulation:- Computational fluid dynamics, Mineral processing; Sour natural gas and higher hydrocarbon processing; Membrane materials and processes for gas and liquid phase separations; nanotechnology:- nano-particle synthesis for heat recovery application

Sciences: Environmental Chemistry; Heterogeneous catalysis; Materials Chemistry; Solid State Physics; Solid state DSSC based on perovskite; Global warming and Climate change; Cloud physics and rain formation processes; Computational condensed matter and material science; Geochemistry.

Interdisciplinary Areas: Such as Environmental Science & Engg.

(The selected candidates who wish to pursue interdisciplinary research will be registered in a department of School of Technology relevant to the area of their qualifying PG degree.)

Mathematics: Stochastic Optimization, Solid Mechanics and FGM, Performance measure of distribution warehouses & Software Reliability, Magnetohydrodynamics Computational Biology, Data assimilation in numerical models of ocean, Numerical Reservoir Simulation, Applied Geophysics & Geostatistics.

****Computer Engg.:** Image Processing, Data Mining, Multimedia Computing, Data Security, Parallel and Distributed Computing, Remote Sensing with GIS, Algorithms, Information Security and Privacy, Cryptography, Security in Remote User Authentication, Cloud Computing, Internet of Things, Intelligent Transportation Systems, Wireless Adhoc and Sensor Networks, Vehicular Adhoc Networks.

****Information & Communication Technology:** Application of Speech Enhancement Techniques in Digital Hearing Aids and Communication Devices, IoT, Microwave Devices, Microstrip Antenna.

School of Petroleum Technology:

Geothermal Energy, Shale gas, EOR, Petroleum Engg., Petroleum Refinery, Reservoir Engg., Reservoir Modeling, Petroleum Refinery, City Gas Distribution, Computational Fluid Dynamics

School of Petroleum Management:

Marketing, Operations Management, HRM and Organizational Behavior, Information Systems Management, Strategic Management, Financial Management.

****School of Liberal Studies:** English Language & Literature, Public Policy & Public Administration, Psychology, Political Science and International Relations, Mass Communication/Media Studies & Commerce, Economics.

3. Selection Procedure

There will be two stage processes:

1. Entrance Test

- i) Subject wise Entrance Test will be conducted, which consists of 100 questions, each carrying 1 mark with duration of 60 min.
- ii) Entrance test shall be qualifying with qualifying marks as 50%.

2. Candidates shortlisted on the basis of the Entrance Test as mentioned above will be required to appear for interview/viva-voce wherein the candidate has to discuss their research interest/area through a presentation before a duly constituted Committee. The interview/viva voce shall consider the following aspects, viz.:

- i) Research objectives, Literature Survey, Methodology, Expected results, List of papers referred, & also industry tie up if any.
- ii) Research Methodology aspects for preparing Doctoral Proposal.

- iii) The candidate possesses the competence for the proposed research.
- iv) Whether the research work can be suitably undertaken at the University.
- v) Contribution to new/additional knowledge out of the proposed research.
- vi) Competence for the proposed research.

While appearing at the selection procedure, the candidate is required to produce a set of all the relevant original testimonials in support of the application. The candidate shall have to ensure all fulfillments to the eligibility requirements while applying for admission.

Fees for a single Application: Rs. 500/- (Non Refundable)

Last Date for submission of the application in the prescribed form available on the website: 5 June 2017.

4. Semester Fees for the programme

Non Refundable Fees:

For Part Time students: Rs.50,000/- per semester (except Hostel, Mess, Transportation and alike).

For Full Time students: Rs. 25,000/- per semester as Tuition fees (except Hostel, Mess, Transportation and alike).

Other incidental fees shall be chargeable from time to time.

No request for the fee refund shall be entertained.

Refundable Fees:

Library Deposit Rs.5,000/-

Caution Money Deposit Rs.10,000/-

The second semester fees shall be collected in installment of Rs.10,000/- per month during the first semester from the fellowship given to the full time students if any by the University; and so forth for the fees of third semester onwards. The remaining sum collected from the fellowships will be refunded to the student after successful completion of the Ph.D. programme as defined in the academic rules.

5. Financial Assistance for Full Time candidates**

- I. The University offers financial assistance from its own resources as per its availability in the name of fellowship, who would qualify as per the norms specified below on merit basis as follows:

Up to first two years: Rs.25,000/- per month as research fellowship

In the third year: Rs.30,000/- per month as research fellowship

Continuance of the fellowship shall subject to punctuality, discipline, good academic/research progress & compliance to other norms as prescribed by the University from time to time.

By the end of every semester the Doctoral Committee also will also review & recommend on continuance of the fellowship to the respective students.

After third year, the fellowship may continue subject to the semester wise review scrutiny by the Doctoral Committee, but not beyond the fourth year.

It shall be mandatory to perform the duties as Teaching Assistant for all the full time candidates availing the fellowship.

Hostel stay is compulsory for the students availing Financial Assistance from the University

The candidates admitted to pursue Ph. D. on full time basis in the research areas of Sciences and areas under School of Liberal Studies may be granted the fellowships as mentioned above on merit basis provided they have a valid UGC NET/CSIR-UGC NET/SLET score at the time of the admission tests.

M.E. / M.Tech. qualified candidates admitted to pursue Ph. D. on full time basis in the research areas of Engg. & Technology may be granted the fellowships as mentioned above on merit basis.

M. Sc. (Tech.) in GeoScience (3 year full time programme) qualified candidates admitted to pursue Ph. D. on full time basis in the research areas of Engg. & Technology may be granted the fellowships as mentioned on merit basis.

The candidates admitted to pursue Ph. D. on full time basis in the research areas of Management may be granted the fellowships as mentioned above on merit basis provided they have valid CAT score with a minimum of 60 percentile at the time of the admission tests.

No other Financial Assistance/Aid will be given to all such students.

The continuance of the Research fellowship shall be subjected to the ***six monthly*** academic review, discipline and punctuality of the candidate.

The above policy-procedure is subject to modification whenever found necessary by the University.

- II.** A financial assistance in the form of a Teaching Assistanceship on merit basis is also available for the students who would not be receiving above referred financial assistance:
Rs.10,000/- per month

It may be continued for 3 years on satisfactory performance based on overall review from semester to semester. During these 03 years such students may be given financial incentive of Rs. 2,000/- per publication in approved peer reviewed journals.

Contingency allowance of maximum Rs. 10,000/- per year as per the norms.

No other Financial Assistance/Aid will be given to all such students.

The continuance of the Research fellowship shall be subjected to the *six monthly* academic review, discipline and punctuality of the candidate.

The above policy-procedure is subject to modification whenever found necessary by the University.

6. CATEGORIES OF Ph.D. STUDENTS

The University admits students for Ph. D. programme under the following categories:

REGULAR (FULL-TIME): This category refers to the candidates who work full time for their Ph.D. and may receive fellowship/assistantship from the University as per its policy or fellowship from CSIR/UGC or any other recognized funding agency or may be self-financed.

SPONSORED STUDENTS (FULL-TIME): A candidate in the category is sponsored by a recognized R&D organization, national institute, academic institution, govt. organization or industry for doing research in PDPU on a full time basis. He is required to have at least two years of working experience in the respective field. He will not receive any financial support from the University. Sponsorship letter (Form-I) should be attached with the application.

PROJECT STAFF (PART-TIME): This category refers to the candidates who are working on sponsored projects in any School of the University and admitted to the Ph.D. programme. The duration of the project at the time of admission should be at least 2 years.

LOCALLY & PROFESSIONALLY EMPLOYED PERSONNEL (PART-TIME): This category refers to the candidates who are locally and professionally employed personnel. These candidates should be able to meet supervisor(s) regularly in the University for the guidance on their research work. The applicant must be a regular employee of a recognized R&D organization, national institute, academic institution, government organization or industry at the time of admission and be engaged in professional work in the discipline in which admission is sought. No financial assistance will be provided by the University to such students. "No Objection" Certificate from the Head of the Institute/Organization in which he is employed (Form-II) must be enclosed at the time of application.

SPONSORED STUDENTS (EXTERNAL REGISTRATION)(PART TIME): This category refers to candidates employed in R&D organizations related to Science, Technology, & Engineering having adequate research facilities. The research work leading to the Ph.D. degree may be carried out largely in the parent organization of the candidate under a Local Supervisor from the organization but with the overall guidance and advice provided by a faculty member of the University (School Supervisor) under whom he is registered. The appointment of the Local Supervisor is to be reported to the Director General of the University through the Director of the concerned School of the University for final approval. Sponsorship certificate from the Head of the organization where the candidate is employed. (Form III) is required to be enclosed at the time of application. No financial assistance from the University will be provided to such students.

UNIVERSITY EMPLOYEES (PART-TIME): Full time faculties (Regular/Contractual) of the University may be sponsored as part-time students by the Director General, on recommendation of the School-Director & the Dean of the concerned Faculty, considering also the terms & conditions of appointment.

7. Important Dates

Last date for receipt of the application form at PDPU	5 June 2017
Announcement of the candidates eligible for the selection procedure on the website	Announce within a short while
<u>Selection Procedure</u>	
<ul style="list-style-type: none"> • Reporting time 10.30 am. • RAT in, Block-C (SPT-1 building) from 11.00 a.m. to 12.00 p.m. Discipline wise proficiency-evaluation at 1.30 p.m. onward.

9. Condition Precedent

The above procedure is subject to modification whenever found necessary by the University. If a dispute arises regarding any of the above provisions, the decision of the Director General of the University shall be final and binding to all.

10. Jurisdiction

The above referred Admission Policy and Procedure is subject to the jurisdiction of Hon'ble Court of Gujarat at Ahmadabad.

Form I- Full Time SPONSORSHIPLETTER

(This is required to be on the letterhead of the sponsoring organization)

Reference No:

Date:

To
The Director General
Pandit Deendayal Petroleum University
Raisan, Gandhinagar- 382007.

Sub: Sponsoring an Employee for Ph.D. Programme

Dear Sir,

We hereby sponsor the candidate

Mr./Ms.....

who is an employee in our organization on the position of _____,

for joining Ph.D. Programme in the research area of _____

at your University as a full-time student.

We shall relieve him/her from his/her duties in the organization during the first three years of the Ph.D. Programme.

Signature and Seal of the Sponsoring Authority

Form II – No Objection Certificate for Part-Time Students

(This is required to be on the letter head of the organization)

Date:

To
The Director General
Pandit Deendayal Petroleum University
Raisan, Gandhinagar-382007

Sub: No Objection Certificate

Dear Sir,

We do not have any objection if Mr./Mrs./Ms.....an
Employee in our organization on the position of _____, is
admitted to the Ph.D. Programme in the research area of _____ at
your University as a part-time student.

We shall grant him/her leave of absence to attend the programme related activities at the
University as and when required.

Signature and Seal of the Employer

Form III – Sponsorship Certificate of External Registration

(This is to be addressed to the Director General, Pandit Deendayal Petroleum University, Raisan, Gandhinagar - 382007 on the letter head of the sponsoring organization.)

Reference No.

Date :

1. Name & Address of the sponsoring organization:
2. Designation of the applicant:
3. Division/Section of the organization where the research work is proposed to carry out:
4. Name of the proposed Local (based at the organization) Supervisor:

(The proposed Local Supervisor needs to be recognized as PhD Supervisor upon applying to the University in the prescribed application form.)

6. Details of the relevant facilities which will be made available to the candidate:
7. Statement of Local Supervisor to the University:

If Mr./Mrs./Ms.....is admitted to the Ph.D. programme at your University I agree to supervise his/her research programme jointly with the Faculty-Supervisor of your University.

Signature of Local Supervisor

If Mr. /Mrs./Ms..... is admitted to the Ph.D. Programme of your University, we agree to relieve him/her to attend all kind of the work related to the programme in every semester at your University.

He/she will be permitted to carry out the research leading to the Ph.D. degree, at our place under the local supervision of Dr.who has been working in our organization on the position of. The necessary facilities will be provided for the purpose.

Signature and Seal of the Sponsoring Authority
