Re: Audit report of final placements of Post Graduate Programme (PGP) batch of 2015-17

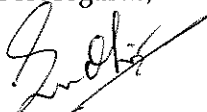

Dear Sir,

CRISIL has audited the report prepared by Indian Institute of Management, Rohtak (IIM-R), on the final placements of students in the PGP batch of 2015-17. We have validated the contents of the report prepared by IIM-R by cross-checking these with the relevant documentation. On the placement report's conformance with the Indian Placement Reporting Standards (IPRS), version 2.1, we wish to confirm the following:

1. To the best of our knowledge and belief, we have obtained all information and explanations as were necessary for the audit.
2. The validation of information presented in the report is based on communication received by IIM-R from recruiting companies and students. CRISIL has not independently sourced any information or documentation.
3. We have verified information provided in the report regarding remuneration, job function, and location, by cross-checking these with communication received from recruiters.
4. CRISIL has verified information for all the students through communication provided by the institute.
5. Due to IIM-R policy of one offer per student, there is no separate process for recording acceptance of offer by students and hence the same has not been verified.
6. The salary information has been categorized as far as possible under appropriate heads to indicate fixed and variable components for better representation. Where such a break-up was not available, the salary has been considered only as 'maximum earning potential'.
7. CRISIL has verified pre-placement offers (PPO) awarded to 20 students out of which 19 students have duly accepted.
8. CRISIL has verified 2 out of 7 students opting out of the placement process through communication received from the students.

Thank you,

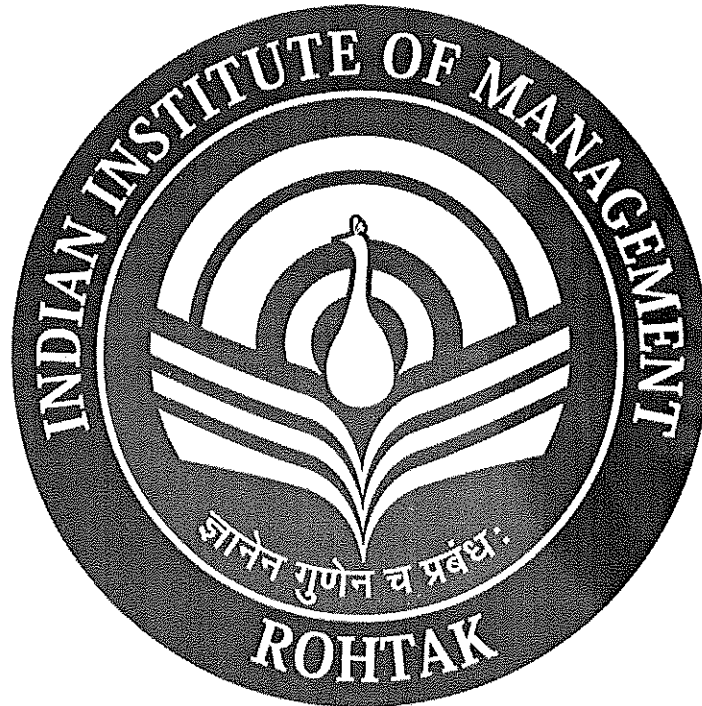

Best regards,
