JUSTICE K S HEGDE

Founder

ABOUT THE MANAGEMENT

Nitte Education Trust was founded in 1979 by Late Justice K S Hegde, former Judge of the Supreme Court of India and Speaker of the Lok Sabha. Justice Hegde strongly believed that education is pivotal to the overall progress of a community and this vision led to the birth of Nitte Education Trust. His legacy is being continued by his son, Mr N V Hegde.

FACILITIES

Student Training

The students are trained at the 1000 bed multispecialty Justice K S Hegde Charitable Hospital. In addition to this, students are also exposed to Community outreach programs at rural, urban and primary health centres at Natekal, Nitte and Kadri which are attached to the college. Students also participate in the National Health Programs on Malaria, AIDs awareness, Tuberculosis control, Pulse polio, etc. The college

has well equipped laboratories for clinical training prior to clinical postings. Supervised clinical training is undertaken in the Institution to enhance clinical skills in students. For details about the teaching hospital, please refer Pg. No. 39.

Library

The college has a good library with more than 6000 books, 318 e-books and 771 e-journals, internet connectivity and Helinet, Proquest, Hinari access. Students can also make use of the library facilities of the medical college.

Hostel

The college provides safe, secure, clean and well-furnished hostels with hygienic vegetarian and non-vegetarian food. Recreation facilities include indoor & outdoor games and television. A resident warden is available to ensure safety and healthcare requirements like Doctor on call facility and to handle medical emergencies. The hostel has zero tolerance towards ragging, use of tobacco and drug abuse.

Medicare

Students are entitled to free medical and dental treatment at the 1000 bed multispecialty Justice K S Hegde Charitable Hospital and the A B Shetty Dental College Hospital.

Research

Both faculty and student research is encouraged. The college Research Cell encourages undergraduate and postgraduate students to undertake research under the guidance of senior faculty.

Faculty Development

Continuous Nursing Education programs and workshops are held and paper presentations are encouraged at national and international seminars.

Conveyance

Free transport facilities are provided to students through a fleet of buses plying regularly from various points in the city to the college and back.

Sports

Air conditioned gymnasium, multi-purpose play ground with running track, basketball, volleyball and badminton courts are available in the campus.
