Pike National Bank provides PNB Online Banking and Bill Pay for the convenience of its customers. The PNB Online Banking Website may be used for authorized purposes only. Unauthorized access is not permitted and constitutes a crime. Activity is monitored for security purposes. PNB Online Banking is protected with state of the art equipment and software to ensure that only you may access your account information.

To access PNB Online Banking and Bill Pay you must utilize a user identification name (user ID) and personal identification number (PIN). For security purposes, you are to keep your user ID and PIN strictly confidential by not sharing them with anyone else. They should not be kept in written form in areas accessible by others or stored in your computer. Failure to maintain your user ID and PIN in this manner violates the terms of PNB Online Banking and Bill Pay and may result in personal liability for transactions initiated as a result of their misuse.

The bank will never contact you asking for your user ID and PIN. Do not give this information to anyone. We will never email you asking you for your account number or other personal or sensitive information. Do not respond to unsolicited email without verifying its source.

I authorize Pike National Bank to charge my account for any transactions initiated with PNB Online Banking and Bill Pay and agree to the conditions stated above and as revised from time to time.
