

IPM Course Structure

Applies for batches 2012-2017 onwards

IPM is a five year integrated program in management, with entry after +2. The objective of this program is to provide a holistic, yet management oriented education to school leaving students. The first component of the program consists of the Foundation requirement, and the second component of the program consists of Management requirement.

The Foundation requirement consists of 72 credits¹ of compulsory Foundation Core courses, and at least 144 credits of Foundation Elective courses. Foundation Core courses consist of compulsory courses in English language skills, Economics, quantitative skills, and one foreign language. Foundation Elective courses consist of courses in the following three silos (1) Sciences, (2) Social Sciences, and (3) Performing Arts & Humanities; as well as General Education courses such as Physical Education, Yoga, Art of Living etc. The following courses are proposed to be offered in each silo:

Sciences	Social Sciences	Performing Arts & Humanities
Mathematics	Sociology	English Literature
Statistics	Psychology	Philosophy
Computer Science	Economics	History
		Dance
		Music
		Theater

Students are required to take a minimum of 30 credits of courses from each of the above three silos, with the remaining required credits allocated across the above three silos and General Education courses. However, no student can apply more than 18 credits of General Education courses towards the Foundation Elective requirement.

The Management requirement consists of 74 credits of compulsory Management Core courses, and at least 60 credits of Management Elective courses and Management Elective workshops. Students must take a minimum of 52 credits of Management Elective courses. No student can apply more than 8 credits of Management Elective workshops towards the Management Elective requirement.

¹ A one credit course consists of 5 sessions of classroom instruction. Courses may be of 2, 4, or 6 credits.

Timeline to graduation

The program follows the trimester system, with 3 terms per year. The time line for the average student to complete all IPM requirements, assuming that all courses opted for are 3 credit courses, is as follows:
